Last 4 m success 😊

- C3 on line ✓ ✓ ✓
- Hard to top that
- Filling vacancies
- Onboarded keen apprentices
- Team break after C3
- New vehicles
- 2 days together!
- Backlog reduction
 - Hit targets
- 7.92% catch up in ^{wages} ~~salary~~

Goals:

- Golf day: Mtee
- Dual outage
- C4 work RTS preparation & scoping

- Manage resourcing to

(Planning ^{Ops} for that

Backlog reduction

(SCE
WSE - Work orders overdue

→ Process mapping...

- Get 2 positions approved!

10. Backlog Report + training

11. P0 - P2 - Process? Including ORAs

12. Understand resource a business understanding

Discussion: General

- ① Backlog - < 12 wks
- April-back up - C3
- Focus been on 12 wks, not SCÉ
- An awesome effort 😊

- NR - a once in 10 manager!

- Down from 7 → 1: Start PM WO's

- Good news story: Callide C

② Pre-starts: Actuator wiring

- > Safety (CGR) insights
- > Production stats (current)
- > Daily priorities (same as KE)
- > Scheduled work / Permits &/or
- > High risk work (get it)

b. Backlog Report + training

Process? Including OPA's

- Support for Pete 'Training'
- Reporting: TA (30mins)

- Biggest: C4 vs Dual
Outage
