

# The *Winner's* Mindset

By Sibel Terhaar

Life is beautiful.  
I appreciate everything I have.  
I choose to be happy.  
I am enough.  
I am responsible for my own actions.  
Even if I fail, I will try again.  
I can get through anything.  
I am confident because I believe in who I am.  
I am kind.  
I am devoted to spreading positivity.  
I strive to make the right decisions.  
I bring love, happiness, and peace to others.  
I believe in the human spirit.  
I am a good listener.  
I have endless hopes.  
I am passionate about my dreams and goals.  
I love learning.  
I work hard, and smart.  
I strive to challenge my self daily.  
Each day is a blessing.
