MH Review: Everywhere

- Very busy now
- Our priorities - done by others
- "What adds value"

• Still have to do IAPs
 (Should take an hour...)

- Feels like compliance
- Dev. plan is positive
- Same IAP from last year
- Get OHS right for less fighting failures.

- Actions - 4m

- Update IAPs to include
(work order), standard of
notifications - Procedure

(Push back - Coaching

Shift Supervisors

(Challenge PO's (zeros)

- Justification (PS or Safety)

- Trades involved in Planning

Goals - 4m

- Quality Notifications
- Mtlce Mgr Retention (#15)
- Backlog reduction
- Support Process Safety!
- Schedule Compliance involved

Training (the why) - Functional Safety

- Review LMS for your role

- Meet with TL & JC

PM + SV

- A common goal with Planning

- Trades involved in Planning

+ FB & explain > what helps us
- A good planner...

- Let Sonya know: what
Issues are

9

- Do a HL, LL's & opportunities!
on the schedule each week!

- Consider PI access for
trade teams.
