

# 'Let's TALK About It'

“

“The message of the Kaizen strategy is that not a day should go by without some kind of improvement being made somewhere in the company”

– Masaaki Imai

## Continuous Improvement

- I will realise the current situation and understand the opportunities for improvement.
- I will standardise my process flow and continually train for consistency.
- I will visualise current processes against our objectives by identifying opportunities for improvement.
- I will seek to optimise my performance through continuous improvement and consistency.
